

# Wednesday 16<sup>th</sup> May 2018

## Student Planner

### *Design the cover of the new Student Planner*

The aim of the Student Planner cover this year is to depict all aspects of school life in Loreto: subjects, skills, knowledge, fun, friendship, happiness, music, choir, sport, extra-curricular activities, faith development, assemblies, JPIC, Student Council, educational visits, fund raising (Loreto Sudan, Loreto to Lusaka), Pink Day, special events e.g. Halloween pageant, pathway to success, career, etc.

There is no slogan or banner this year. If pupils want to write a statement that summarises school life that is great but not essential.

The cover should be attractive, vibrant and exciting. Pupils will be looking at it for almost a year.

It should be designed on a A4 page portrait. Images / colours need to be clear and distinct for printing.

Any writing should be in a fine nib black pen. Writing needs to be clear and legible with no spelling errors and correct use of capital letters.

Pupils can be creative, let their imagination run wild!

Submit to Mrs A. Furey by **Friday 25<sup>th</sup> May**. Entries can be left in box on Mrs A. Furey's desk at any time. Pupil should write name and class in pencil lightly on back of page.

## ART

Congratulations to Sinead Mullan 9A4, who achieved 1<sup>st</sup> place in the Western Trust & Public Health Agency's poster competition '*Proud to be a Quitter*' which was launched in March along with National Non Smoking Day.

Sinead's artistic entry beat a large number of entries from nine other post primary schools from West Tyrone and Derry area. Well done Sinead!

## Athletics

Due to current ongoing examinations, all PE students should congregate in the Canteen before class and wait for PE teacher to advise on location of class. **Pupils are reminded to keep noise levels down during exam time.**

Congratulations to all athletes who competed in E district. Any pupil who had qualified for Ulsters on Saturday 18<sup>th</sup> May, please see Mrs McCann in computer room 1 at break time.

## Loreto to Lusaka

The total funds raised so far have exceeded our goal of £25,000 and the total is now at **£25,640!!**

Well done to everyone involved for all of their hard work and fundraising efforts, this is a great achievement.
