

PSNI Road Safety Show

Everyday dozens of lives are lost in our roads as a result of careless driving, over speeding, driving under the influence of alcohol or even using mobile phones while driving or crossing the road by pedestrians. All these causes of fatal accidents on our roads could be prevented through embracing or adhering to road safety measure. On Thursday 22nd of November, year 13 and 14 students from the Omagh and surrounding area attended a PSNI Road Safety Show, where we learnt the importance of being responsible on the roads. We received a hard-hitting story from spokesmen from a variety of different services, such as the PSNI, Firefighters and Paramedics. The delivery of these speeches endorsed fear arousal within the students through the use of shocking statistics and portraying strong, vivid images, therefore the message lingers, promoting road safety.
