

ACTION FOR CHILDREN

Morning Everyone,

Most of you may be aware that due to the Coronavirus outbreak, the Minister for Education and Minister for Communities has agreed to make payment to families who have been assessed as eligible for free school meals. **However, importantly In order for those payments to be made effectively it is essential that the Education Authority (EA) has your most up to date bank details. If the Education Authority already has your up to date bank details this payment will be made automatically into your bank account.**

If families bank details have changed in the last 12 months they must let the Education Authority know by completing the form in the link below of Concepta email. Please see Concepta email below for more information.

Please note the payment will be paid to the name of the parent/guardian currently claiming for free school meals.

Please share this email with your team, colleagues and families your are supporting including any of your own families that this may affect.

Regards

Seána Connor
