Message from PE Department re: PE Kit Orders

Dear Parent / Guardian,

Step 1 – Placing an Order.

This step has been completed.

The online portal for the Loreto PE uniforms is now closed. The portal was set up solely for pupils to place their orders as there was no in-school sales day due to Covid-19 restrictions. The portal is not a conventional online shopping website.

Step 2 - O'Neills will count the orders required for each garment and produce accordingly. The estimated production time for bespoke items is 6 weeks.

Step 3 - O'Neills will deliver all orders prepacked to the school. Distribution to pupils will follow.

There is no need to contact O'Neills with regards to delivery dates. We will inform you of collection dates. In the meantime, pupils are still permitted to wear black/navy garments on PE days.

Thank you for your ongoing support and patience.

P.E. Department
