

June 2022

Dear Parents/Guardians

As we approach the close of the academic year 2021-22, we take this opportunity to congratulate our students, of whom we are very proud, and we commend them for their effort, engagement, enthusiasm, participation, resilience and progression. We fully appreciate the support of parents and guardians throughout the past year and look forward to our continued partnership in nurturing our students. This year, we celebrated the bi-centenary of Loreto Education in Ireland led by Mother Teresa Frances Ball in continuing the legacy of our foundress, Mary Ward.

The staff and I are looking forward to a new beginning in August / September 2022 and to welcoming our incoming Year 13 students to Post 16.

Our commitment to “Stay Safe, Be Responsible” will remain a focus. While we are delighted to have returned to full curricular provision this year, we will continue to adhere to and promote good hand and respiratory hygiene and to follow health and safety guidance.

Please note that dark brown tights are a compulsory part of uniform from September 2022.

See provisional arrangements for return to school in September 2022 below.

**See below Important Information for Year 12 Students entering Year 13 September 2022 – also available on Year 12 Team for pupil reference.**

If you have any further queries please ring the school office or forward for the attention of Ms SJ Fahy, Senior Teacher for Learner-Centred Provision via email: [info@loretogs.omagh.ni.sch.uk](mailto:info@loretogs.omagh.ni.sch.uk)

**See attached provisional arrangements for school opening in September 2022.** These are subject to change and you will be notified of any amendments in advance of school re-opening.

In recent days we bade farewell to longstanding members of staff who are retiring: Dr Boyle, Head of Spanish and Mrs McCann, Head of Physical Education. We announce the upcoming retirement on 31<sup>st</sup> August 2022 of our highly esteemed and much loved Vice-Principal of 21 years and Teacher of Religion for 35 years, Mrs Turbitt. We acknowledge their outstanding service to Loreto Grammar School, Omagh and wish them much happiness on their future paths.

Once again thank you for your support during the past year. We will continue to pray for, and hold dear in our thoughts, those who have experienced bereavement or have concerns about illness or vulnerability within their family or friendship circles.

I wish you, the students and your families health, happiness and joy over the holidays and until we meet again: “Go gcoinní Dia i mbos a láimhe sibh” - *May God hold you in the palm of His hand.*

Yours sincerely,

Mrs Susan Cullinan (Principal)

### Important Details for Year 12 Students entering Year 13 September 2022

In advance of the GCSE results (25<sup>th</sup> August 2022) your daughter is advised to give careful consideration to career aspirations, research the career requirements and pre-plan her A' Level subject choices as she will be making important decisions about the next stage of her education. She is advised to consider subject choices from the option pools below and may choose **one** subject from each pool. While every effort will be made to accommodate students in their subject choices this may not always be possible. Students may be guided to choose another subject area where a class size is presenting as very low and is not sustainable or where a subject is oversubscribed and a limit must be placed on the class size.

The **Admission Policy to Post 16** is attached. Please read this document carefully and note:

1.3: Students need a minimum value of **240** points for entry to Post 16.

2.4: Applicants will be asked to consider **3** subjects in the first instance for advanced Level from the school's option pools with reserve areas in the event they are unable to be placed in a subject area.

2.7: Students who have secured admission to the school with **above 414 points** may consider taking a 4<sup>th</sup> Advanced Level subject from the remaining pool option.

Details of course specifications are available in the Loreto Post 16 Information Booklet and on [www.loreto.org](http://www.loreto.org)

The Key Skill programme ensures students develop essential transferable skills that help to improve their learning and performance in education, training, work and life in general. The Key Skill offered to all Year 13 students is ICT.

Microsoft Office Specialist (MOS) is a comprehensive, performance-based Certification Programme to validate desktop computer skills using Microsoft Office 2016.

MOS is recognised globally, as the number one credential to validate knowledge and skills, relating to the Microsoft Office systems. Different modules can be completed in Word, PowerPoint, Excel, etc.

Microsoft Certification will increase a pupil's productivity, improve their job readiness and increase their employability capacity.

### **Extra Places**

Criteria for **Extra Places** made available by the Department of Education for admission into Year 13 (Sixth Form). The Department of Education may, in response from a school on request, increase the number of pupils that the school can admit to its Year 13. Places that become available in this way shall be allocated only to pupils who meet the basic eligibility criteria for sixth form study (as outlined above) and shall be allocated in the order determined by the criteria to be applied in the order set down:

1. Pupils who have most recently completed Year 12 in Loreto Grammar School, Omagh.
2. Pupils from other schools where admission to an **Extra Place** at Loreto Grammar School, Omagh has been agreed by the Department of Education.\*

\*Parents should note how the Department of Education will, in response to a school's request, increase the school's enrolment number in order to allow an extra post 16 pupil to enroll. DE will only increase the school's enrolment number if it is content that each external pupil for whom a place is requested would not be able to pursue their post 16 course choices at a suitable school without undertaking an unreasonable journey (i.e. a journey that by public transport would be over an hour from where the young person lives.) If DE finds that that no other suitable school may provide all of the post 16 courses that the pupil wishes to pursue – then DE will agree a school's request for an extra place.

What is a school of a type suitable for a pupil? To determine this DE first considers all schools to be one of four types: denominational, non-denominational, Integrated, Irish-Medium. A school requesting an extra place for a Post 16 pupil will belong to one of these four types and DE will consider any other school or school from this type as suitable for the pupil. DE will also consider as suitable for the pupil any school from the same type as the type of school that the pupil attended in Year 12.
