

31 August 2023

Dear Parent/Guardian

Internet Payment System

The school's internet payment system – Pay 360 – ceased operation on 31 July 2023 and therefore can no longer be used to make payments in relation to the school canteen and school trips.

A new system called iPayimpact will be introduced but will not be operational until later in September 2023. You will be informed about the start date of the new system and log in details as soon as possible.

In the meantime, funds can be added to your daughter's school canteen account by inserting cash at the revaluer units located within the school or by forwarding a cheque to the school office. Payments for the school trips to Prague and Lusaka can be made by cash or cheque.

Thank you for your co-operation with this changeover.

Yours sincerely

Mrs Susan Cullinan
Principal
