

18th November 2024

Dear Parent/ Guardian,

As part of Road Safety Week 17th - 23rd November 2024, it has been arranged for Year 14 to attend a simulated *Road Traffic Collision* hosted by the Northern Ireland Fire & Rescue Service.

Location: Omagh Fire Station

Date: Wednesday 20th November 2024.

Time: 10:30am – 12:20pm

The aim is to make young adults aware of the causes and consequences of careless, dangerous driving. This includes a hard-hitting simulated car crash; cutting a trapped person out of the car, followed by removing a fatal person from the car.

The trauma from this demonstration may upset some pupil(s). If any pupil(s) has been through a previous traumatic experience in their life, such as an RTC, then this demonstration may not be suitable for them to attend, as we would not want them to be subjected to this experience again.

Yours sincerely,

Mrs A Kelly

(Head of Year 14)
