

Principal: Mrs Susan Cullinan

Dear Parents and Guardians,

Pupils from our Sports Leadership team are organising a **Loreto 170 Hyrox**, on Sunday 6th September, a fun and inclusive fitness challenge designed for all abilities. The girls have put huge effort into planning the day as part of our celebration of 170 years of Loreto spirit, while also raising funds for Dementia NI and our new school Oratory.

We still have many tickets to sell and we would be extremely grateful for your support. If your daughter has not yet signed up, please encourage her to take part. It is a brilliant opportunity to get involved, try something new, and be part of a whole school celebration. We also have a parent and daughter/son option - a lovely way to take on a fun challenge together.

The biggest help you can give us right now is to spread the word. All event details and the ticket link can be found on our school Facebook and Instagram pages. Sharing these posts with your own networks would make a huge difference.

We are also seeking volunteers on Sunday 6th September to help with marshalling, counting, and supporting stations throughout the event. Even a short amount of time would be greatly appreciated.

Finally, we are reaching out to local businesses for sponsorship and support. Sponsorship helps us elevate the event and maximise fundraising. If you own a business or know someone who might be interested, we would be grateful for any contacts or introductions. We have sponsorship options ranging from financial donation to refreshments and every contribution helps.

If you can help in any way - through participation, volunteering, or sponsorship connections please contact Nichola Barbour at info@loretogs.omagh.ni.sch.uk

Thank you for your continued support of our school community. We look forward to making this a memorable event for all.

Warm regards,

Nichola Barbour
